Promotional Material:

There is artwork of the Biblical Principles logo attached, **Form 8**, which can be reproduced. This can be sent to the church attached to e-mail as a word file. Any material provided by Biblical Principles, Inc. may be reproduced as needed. Forms 1 through 8 are available on the internet at www.biblicalprinciplesinc.org, or can be obtained by e-mail or fax by calling Biblical Principles, Inc.

Schedules:

Session 1: During the Sunday School Hour, we recommend a 45-minute message, "Signs of Financial Bondage". There is a listening guide enclosed for reproduction. This can be e-mailed as a word file for copy-paste.

Session 2: During the morning worship service, we recommend a 30-minute message, "Will a Man Rob God?". There is a listening guide enclosed for reproduction. This can be e-mailed as a word file for copy-paste.

Session 3: During the afternoon, we plan a workshop, "Six Steps to Financial Freedom", at the time designated by the pastor. We will plan to use at least 60 minutes. We will provide a workbook for those who attend the session. It is recommended that all persons who schedule a budget-counseling session attend this workshop. A copy of the workbook is enclosed. We will bring enough copies for the attendees.

Session 4: During the evening worship service, we recommend a 30-minute message, "Financial Freedom". There is a listening guide enclosed for reproduction. This can be e-mailed as a word file for copy-paste.

Budget-counseling Sessions: There are eight sessions made available by appointment through the church. A person from the church must be assigned to be the contact person (registrar) to administer registration. **Form 6** is provided in this package for the purpose of administering registration. There can be a stigma attached to persons registering for a budget-counseling session so it is recommended that while the solicitation for registration must be publicly announced, the registration itself should be kept confidential by the registrar. The preliminary schedule of budget-counseling sessions is shown on **Form 7**. There is some latitude on the times on the sessions and additional sessions can be made available if needed. We recommend modest casual attire for the budget-counseling sessions. The church designates the location for the sessions. The sessions are open for staff members to schedule for budget counseling. Staff members are welcome to attend any budget-counseling session with the concurrence of the counselee (s).
